

# Steam Trap Survey and Repair Offer

Receive incentives up to 100% to survey your steam traps and up to 50% for repairs to improve performance of your Steam Trap System

Take advantage of Eversource's 2020 Steam Trap Survey and Repair Offering! Survey your Steam Trap System for little-to-no cost, receive incentives to implement identified repairs, and explore other gas saving opportunities.

**Eversource is offering funding toward steam trap surveys and incentives for implementing gas-saving improvements identified as a result of these surveys.** Our qualified business partners will help you identify improvements in your steam trap system that can help you save money and energy.

## Details of this offering:

- Eversource will split 50% of the steam trap survey cost with the customer when the report is submitted
- If all improvements identified in the steam trap survey report are addressed, Eversource will reimburse the customer the remaining 50% of the survey cost
- Eversource will provide an additional incentive of up to 50% of the repair costs for the improvements identified in the steam trap survey

Ask our qualified business partners how else you can improve the performance of your facility through other gas saving opportunities!

Offer valid from 01/01/2020 through 12/31/2020.

## Make us your one-stop shop for comprehensive gas savings

Additional incentives are available for heat recovery, boiler tuning, and other comprehensive gas savings measures. Contact us for more information.

This offer is valid for all commercial and industrial customers in Eversource's gas territory.

Please contact Kelly McMahon at [kelly.mcmahon@Eversource.com](mailto:kelly.mcmahon@Eversource.com) for more information on this offer. Be sure to include "2020 Steam Trap Offer" in the subject line.
